A collection of Paw Patrol-themed party supplies. In the foreground, a large, white, inflatable Marshall the Dalmatian sits, wearing his signature red fire helmet and red vest. Behind him, a blue spiral-bound notebook features a colorful illustration of the Paw Patrol pups. Surrounding these items are various cutouts: a large Chase the K-9 in his police uniform, a circular cutout of Marshall, and several smaller, flower-shaped cutouts of different pups. There are also streamers with a rainbow and paw print pattern, and a shield-shaped cutout of Chase. The background is a light blue surface decorated with scattered paw prints in various colors.

A vibrant unicorn-themed party scene. On the left, a large white unicorn piñata with a pink mane and a large black eye is decorated with colorful streamers. The background is a light blue surface. In the center, a circular plate features a unicorn with a rainbow mane and a castle. To the right, a pink cup with a unicorn face is topped with a pink straw and a unicorn-shaped decoration. Other items include a pink heart, a small white envelope, and several small circular decorations with unicorn and castle designs. The word "PARTY" is visible on a pink card in the top right corner.

Boy or Girl?

This cannon is especially made for Gender Reveal parties – while the outside has a neutral design, the inside contains only blue confetti, which reveals that the parents-to-be are expecting a baby boy, or it is filled only with pink confetti, which reveals that the parents-to-be are expecting a baby girl. The cannons are marked with a little sticker at the bottom to indicate the colour of the confetti for the customer.
